Education . . . Investment in a future.

Micrograms' Super Student Home Software centers on basic subject areas where extra review and practice at home on a regular basis will greatly benefit a student in his or her schooling.

The Grade 4 Collection includes:

6 Programs

NUMBERJACK Are your math skills as sharp as a lumberjack's saw? Join in the contest to see who will be first to fell a giant pine tree.

READER'S TREASURE CHEST III Discover contents of the old attic treasure chest by good work on comprehension exercises. Three right answers in a row earn you a look in the chest. Can you find the diamond?

WORD SLEUTH I Detective Don is on hand to be sure you can use words correctly in sentences and match them correctly with definitions. Investigate our on-screen glossary of fourth grade vocabulary words to discover new meanings.

MATH JUMPATHON Jumping Jenny is expert with a jumprope. She will perform for you when you show her how expert you are at basic math facts.

WIZARD OF SPELLALOT - GR. 4 The wizard is not exactly friendly; but, he is interested in helping students master hundreds of spelling words appropriate for fourth grade.

GEOGRAPHY SCOREBOARD Bonus points rise and scores soar as you match and master geography terms with definitions. Are you the highest scorer in your family?
